

Hypocrisy

Told her she was hot, but she was not
I just wanted to score
Got a dance or two, but I wasn't through
I still wanted more
Took her to my house, I knew my spouse
Would not be there
I had my way, what's more to say
I knew it wasn't fair

Cuz that's the way this cold world works
You just need eyes to see
It's filled with charlatans and jerks
Guys who think they're hip.....Hypocrisy

We made a deal, it was a steal
At least it was for me
But I didn't say, why give away
This fait accompli
He called me up, all wound up
Once he realized
I told him tough, he'd bought the stuff
He shouldn't be surprised.

Cuz that's the way this cold world works
You just need eyes to see
It's filled with charlatans and jerks
Guys who think they're hip.....Hypocrisy

Now I'm explaining to you, what you should do
When you smell a rat
Just trust your gut, it's clear-cut
You gotta play the cat
Stare in their eyes, that's how you'll spy
The deceiving look
Then walk away, don't ever stay
And don't pussy foot

Cuz that's the way this cold world works
You just need sight to see
It's filled with total jerks
Guys who act so hip

Cuz that's the way this cold world works
You just need eyes to see
It's filled with charlatans and jerks
Guys who think they're hip.....Hypocrisy
