Isadora, everything you do is adorable  
Holding kittens, or wearing mittens  
Chasing butterflies or eating french fries  
You're the ultimate, absolute, affectionate, super-cute girl  
That's why I give my heart to...you Isadorable.

Isadora, how could I ask for any more from you  
Than your loving smile, your sexy sense of style  
Whether dressed up or down, heads snap around  
You're my glamorous, hold-my-hand, amorous, just-one-man girl  
That's why I give my love to...you Isadorable.

What I did to deserve you I don't know  
But I thank my lucky stars above  
I've always thought I had lots of room to grow  
Now my heart swells with love.

Instrumental

You're my etched in stone, permanent, home-sweet-home, heaven-sent girl  
That's why I give my love to...you Isadorable.  
That's why I give my heart to...you Isadorable.
