

Jeans Miniskirt

© 2017 Will Stanley

I stared at her and I knew I'd hit pay-dirt
She gave a wink which meant she must be a flirt
She wore a tank top and a very short jeans miniskirt

She flipped her hair and all my senses were alert
The way she threw that look at me made me berserk
And I kept starin' at that very short jeans miniskirt.

My heart was pounding deep in my chest
And I thought it might pop
She gave a smile and I must confess
I was afraid it had stopped

My feet were frozen and my body inert
I was afraid she'd think I was a stupid jerk
But my poor brain just couldn't handle that jeans miniskirt.

Instrumental

Tried to think of something to say
But nothing came out
Needed a miracle to save the day
Or it was lights out

Tried to say I love you but she stopped me with a smirk
Knew it was dumb, and besides it wouldn't work
Cuz she mesmerized me with that very short jeans miniskirt.

Instrumental

My tongue was tied, my mind went blank
I felt like a fool
Took one more look and I began to fear
I might fall off the bar stool.

My feet were frozen and my body inert
I was afraid she'd think I was a stupid jerk
But my poor brain just couldn't handle that jeans miniskirt.
She mesmerized me with that very short jeans miniskirt.
