

MYOB

© 2007 Will Stanley

You always act so concerned, afraid there's nothing I won't do
I guess it's time for you to learn first hand, my most important rule
Instead of getting in a lather
And being totally appalled
You're better off not to bother
Your pretty head at all
Please darlin'
Don't stick your nose, places it ain't spose to be
Cuz my philosophy, is MYOB.

You asked me where the money comes from, but that's no affair of yours
And don't you worry bout those guys I'm running with, they're just entrepreneurs
I know you may think it's unseemly,
That I don't work from 9 to 5
But I'm sure you'd feel it much more keenly
If we could barely survive
So darlin'
Don't stick your nose, places it ain't spose to be
My philosophy, is MYOB.

Remember that old childhood saw about the monkeys
See no evil, hear no evil, speak no evil...I ain't bein' funny, honey

And if our world ever blows up, and bright lights are shining in your eyes
And someone asks how much you know of it, you won't have to lie
Your alibi is
You don't stick your nose, places it ain't spose to be
Cuz your philosophy, is MYOB.
Beware of those, places you ain't spose to be
The best philosophy, is MYOB.
