^{Gb}
When I saw her across the dance floor

^{Ebm} ^{Gbm7}
I knew that I needed to see some more

^{Bb} ^{Bbdim} ^{Gb} ^{Eb}
She moved just like a gazelle

^{Ab} ^{Db} ^{Dbdim} ^{Ab7} ^{Db}
And I hoped she'd become my mademoiselle

^{Gb} ^{Bb}
I wanted to ask her for the next dance

^{Ebm} ^{Gbm7}
Hoping that would lead to some real romance

^{Bb} ^{Bbdim} ^{Gb} ^{Eb}
I was being brash so I wouldn't miss my shot

^{Ab} ^{Db} ^{Gb} ^{Bb} ^{Gb} ^{Db}
Cuz News Flash...she's hot

Acted as suave as I possibly could
To ensure that my prospects were good
She gave a sneer as she looked me up and down
I began to fear that I would have a total meltdown

She said OK and we started to Frug
I began to detect a change in her mood
When the song was done, I said thanks a lot
Cuz, News Flash....you're hot.

^{Gb--A} ^{Db7} ^{Gbm}
Bridge: I couldn't believe my stupid dumb luck

^B ^E ^{E--A}
As I was completely heartstruck

^A ^{Db7} ^{Gbm}
She invited me back to her table with a nod

^B ^E ^{Db}
My friends in the corner oohed and aahed

When I got to her booth, there sat a guy
He was 6'5 with a patch on one eye
The other looked through me like I wasn't there
And I have to admit I was getting scared

So I decided to take my leave
It seemed I had nothing that I could achieve
Discretion's far better, than being shot
And besides, News Flash....she's hot
And News Flash....with a big shot
And big shot.....I'm not
