

She Used To Be My Girl

C Cdim
I saw her shopping at the supermart
Dm Ddim
Squeezing avocados and it broke my heart
Em A Dm7 G G7
I felt the usual ache, 'bout my big mistake

C Cdim
Once again I searched for a clue
Dm Ddim
For what possessed me to say we're through
Em A
Cuz it destroyed my world
Dm7 G7 CFCG
You see she used to be my girl.

Shopping trips that we used to take
Exotic meals that we used to make
I loved her shish kabobs, she enjoyed my quahogs

And then one day, I got the bug
Variety's the spice, began to tug
Then I destroyed my world
Told her, she used to be my girl.

Gm7 C7 Fmaj7
Oh God, what was I thinking

Am7 D7
I wish that I had the excuse,
G Abdim D7 G
That I'd been drinking.

Now I'm doomed to eat alone
Hearing myself chewing in a silent home
Cuz I destroyed my world
You see she used to be my girl.

Instrumental

I feel this deep seated desire
Watching her touching food
Lights my fire.

It's time to leave this store and head back home
A disappointed lonely gastronome
Cuz I destroyed my world
I told her she used to be my girl.
