

# Soul Mates

© 2006 Will Stanley

A Gbm Bm E  
After love, we lie there and softly talk  
Dbm Gb7 Bm E E7  
About the reasons we still click, while others have long since stopped  
A Gbm Bm E  
And we both agree, that what's special in what we do  
Db Db7 Gbm Gbm4  
Is the way we integrate our points of view  
Bm B7 D E  
With one part your side, and one part my side, and two equal parts of I love you.

A Gbm Bm E  
Soul Mates, more than just lovers, we're  
G Em Am D  
Soul Mates, linked to one another,  
B Am Dbm Gb Bm7  
Soul Mates, two souls bound together, yours and mine  
E E7  
For all time

How to describe this feeling that we get  
After we've made love so long, both of us forget  
Where we began, or who's been keeping score  
There's only one thing that seems for sure  
It was one part your love, and one part my love, and two parts let's love forever more.

Soul Mates, more than just lovers, we're  
Soul Mates, linked to one another,  
Soul Mates, two souls bound together, yours and mine  
Intertwined, till the end of time

Gb B  
How can a woman fulfill a man this much

Gb D  
With just a kiss and a sweet touch

Ab D  
I guess it's time, we finally say goodnight

Ab Bm7 E  
Cuz I detect, the first rays of daylight.

verse  
Bm B7 D E  
It was one part your love, and one part my love, and two parts let's love forever more.
