

The Morning After, The Night Before

© 2004 Will Stanley

It is the morning after, the night before, I fell in love.
I woke up filled with laughter, and a thank you for, the man up above
Cuz he sent this girl to me, to help in my belief
In trying to find true love, I just might succeed.
It's the morning after, the night before.
I fell hopelessly in love.

It is the morning after, the night before, my dreams came true.
I look across the table, at an angel, and it's a heavenly view.
It's a bit of paradise, right before my eyes
Wearin' my old denim shirt, that girl is quite the flirt
On this morning after, the night before,
I fell hopelessly in love.

I've been searching forever, for the perfect girl in my head
And now life's gone me one better, I've got the real thing instead.

Instrumental

I don't think I've ever seen, a sexier scene
Than her looking sugar sweet, in her stocking feet.
Cuz it's the morning after, the night before,
I fell hopelessly in love.
On this morning after, the night before,
I fell hopelessly in love.
